

# *Holiday Giving Guide*

Thank you so much for reaching out and inquiring about a way to support children experiencing foster care this season! We invite you to join us in ensuring that every child in our community receives the care and support they need. We've listed the most helpful ways to serve these vulnerable kids and families below.

## *Christmas Beyond the Toys*

One particular area that we focus on for holiday support is coming alongside families who are facing extreme financial hardship and/or unexpected crises while also caring for kids in foster care. We believe that the best gift we can give these families is to help alleviate some of these unforeseeable stressors with direct support from the community. If you'd like to join us in walking alongside a family in need of encouragement this holiday season, please donate through the link below and designate "Christmas Beyond the Toys." We'll share how the funds were used to all who donate.
