

Holiday Giving Guide

Thank you so much for reaching out and inquiring about ways to support children experiencing foster care this season! We invite you to join us in ensuring that every child in our community receives the care and support they need.

We've listed the most helpful ways to come alongside these vulnerable kids and families below.

Christmas Beyond the Toys

Help us meet critical needs this holiday season through our annual Christmas Beyond the Toys campaign.

Equip families with weighted blankets and therapeutic swings that provide comfort and care to children with sensory processing challenges. Ensure families have bunk beds and cribs to help keep siblings together. Help families build connection through our trauma-informed therapeutic support sessions. Your contributions to Christmas Beyond the Toys will sustain families far beyond this holiday season.
