

# Shop and Stock

Thank you for helping Foster Village give the best support possible to foster families, reunifying families, and kinship families! We rely on donations and volunteers to help us provide quality supplies.

Here is how you and your team can shop for new supplies and stock our resource centers.

1

## STEP 1: SHOP

With your team, purchase donations to stock the shelves at our resource centers. Quality over quantity is best. Necessities include, but are not limited to:

- New t-shirts, pants, shorts, onesies, and pajamas for ages preemie through teen
- Packaged toys: blocks, Legos, sports balls, infant toys
- Bottles, sippy cups, and pacifiers
- Diapers and Pull-Ups (all sizes)
- Socks (all sizes)
- Underwear sizes toddler through teen
- Ethnic hair care products
- Other baby care items like burpcloths, crib sheets, lovies, bibs, pacifiers, etc.
- Baby wipes
- Hair brushes
- Toiletries

Groups can also visit our website, [www.fostervillageaustin.org](http://www.fostervillageaustin.org), for a link to our [Amazon Wish List](#) where items can be purchased and shipped directly to us.

2

## STEP 2: STOCK

As a team, visit one of our resource centers to stock it with the donations purchased. To set up a date and time to volunteer, please email [info@fostervillageaustin.org](mailto:info@fostervillageaustin.org). Sorting your donations and seeing how they will be put to use is a great team-building exercise. We always need volunteers to help organize our resource centers and make sure donations are going to the right place.
